Hi Jeanne,

Can we have the attachment (i.e., the signed letter)?

Also, to lessen the load on the field crews in Ada, we will be using two Region 6 folks to help us with the field sampling in Wise County the week of June 4th. I am giving them the accounting information to charge to. They are replacing some folks who would have come from Ada, so there is not an increase in costs. Their names are David Aguinaga and Kai Williams. I will make sure they contact Cincinnati for the cross funding.

Mike
